

THE BIG PICTURE COMPETITION: THE WINNERS!

We are very pleased to announce the winners of the Big Picture photographic competition. The subject was "What I love about Midhurst". The winning images are shown below.

The first prize has been awarded to Helen Streeter for her excellent evocative image which everyone knows and yet we still look on in awe - "Cowdray Ruins in Winter". Helen wins £100, a mounted and framed print of her image, plus a year's free membership of the Midhurst and District Camera Club.

The second prize is awarded to Julie Millington for her picture "Midhurst Reigns" which demonstrated the essence of the local community in Midhurst. Julie wins £75, a mounted print of her image and a year's free membership of the Midhurst and District Camera Club.

The third prize goes to Clare Whatley for her picture that so perfectly captures a particular moment in time in the woods around Midhurst: "Through the ears! Flick in the bluebells!". Clare wins £50, a mounted print of her image, plus a year's free membership of the Midhurst and District Camera Club.

Congratulations to all three winners
